

Endowment Fund Grant Request Process

A. General Information

Disbursements from the Endowment Fund, administered by the Endowment Committee (EC), for either Designated or Undesignated funds will first be determined by availability of funds for such disbursements. The availability of funds will be determined by other existing EC policies, which assist in the administration of the Endowment Fund.

B. Request Process

To make a formal request for funds, the potential recipient of Endowment Funds must complete the following steps:

1. A written request must be submitted to the EC for initial review. This request should include:
 - a. The name of the entity and contact person submitting the request
 - b. The specifics relating to the project needing funds
 - Scope and goals of the project
 - History of the project
 - Annual budget of the project
 - Planned use for the requested funds
 - c. Any timing restraints foreseen for the receipt and use of the requested funds
2. The EC will review the request at its next regularly scheduled meeting.
 - a. The request will be reviewed in conjunction with:
 - the availability of funds
 - the EC spending policy
 - the specifics of the project and how they relate to either Designated or Undesignated funds
 - the timing of receipt of other requests for the same funds that may have been received
 - the appropriateness of funding by EC
 - b. If any questions arise during this review, the submitting individual will be contacted for further information
3. Following the review of the request for funds, or after receiving any additional requested information, the EC will vote on the disbursement of the funds to the project.
 - a. If the vote passes and the funds are approved for disbursement, the EC will direct that a check be written to the requesting source at a point-in-time deemed appropriate by the EC.
 - b. If the vote is against disbursement, a written communication will be generated by the EC to the requesting party identifying, as clearly as possible, the reasons for the denial and any recommendation for future funding request.
