Servant Leadership

Join a class led by Pastor Frank which begins this Wednesday, Jan. 28 at 6:30pm. Jesus took an eclectic, rag-tag group of individuals and transformed them into leaders whose exploits are still changing the World. Just imagine what he can, and will do through you! Leaders are NOT born they are chosen and cultivated. Jesus taught and modeled leadership principles that are to be transferred into every Church. This six week class is designed to explore those principles of leadership and to equip others to be prepared to achieve their greatest leadership potential. This class will explore the Biblical principles, images and models of Servant Leadership, the Ten most common transferable principles of Servant Leadership, the Four "C's" of Servant Leadership, and the strategies for implementing these leadership principles within a church community, in order to make an impact for God in your home, church, work and community. It is open to all ages and especially to those serving or interested in serving at Castleton UMC. Register today at the Welcome Center or by visiting the church website.
